VIDEO CONFERENCE

The World Situation from the Bible's Perspective

Throughout the Bible, God speaks about things to come – even thousands of years before they happen – and everything He foretells comes to pass. The Bible speaks much about the time in which we are living today, namely the time in which the second coming of Jesus Christ and God's righteous judgment of mankind are imminent. God, however, does not judge us without warning us ahead of time. He gives us many signs so that we would repent of our godless ways and turn to Him.

_____ Session 1: 8:00 – 8:20 p.m. _____

One of these signs are epidemics (Luke 21:11). We are in the midst of a pandemic whose global impact is the most dramatic in human history.

_____ Session 2: 8:20 – 8:40 p.m. _____

God also tells us that a covenant between Israel and many nations will herald the beginning of the last seven years of our age. The Abraham Accords, which a few nations already signed in September, could turn out to be this covenant.

_____ Session 3: 8:40 – 9:00 p.m. _____

God's judgment reveals all hidden things, including the condition of our hearts. Therefore, the all-important question that each of us should ask ourselves is, "Am I ready to meet God?"

Each session will feature a short presentation (10 minutes) followed by an open forum (10 minutes). Join us!
